

REGISTRATION PROCEDURE

Early registration is for all 2007 Camp Cherokee campers (Please read Part 1). Open registration is for individuals that did not attend Cherokee in 2007 (Please read Part 2).

***ALL APPLICANTS: Please remit a separate deposit check and separate application for EACH camper and for EACH session. One-week session deposits are \$100 and two-week session deposits are \$150. Each sibling in a family needs to have his/her own individual check for his/her deposit. If your child is coming to multiple sessions, there must be a separate check and a separate application for EACH session.**

***PART 1: Early Registration**

- **Only** 2007 Cherokee campers qualify for early registration.
- Early registration will be from Monday, December 10, 2007 through 12 noon Friday, January 25, 2008. *Applications received before December 10 will be returned!* We will begin entering applications as they are received, so your check or online deposit will be debited as soon as we process your application.
- If there is an abundant amount (i.e. more applications than spots available) for one particular session, the applications for that session will be entered in the order they are received (chronologically by dates). If you do not get the session of your choice, you will be called and given the opportunity to register for another session. **If early registration applications are not received by noon Friday, January 25, you will have to participate in Open Registration.**

***PART 2: Open Registration**

- All applications from non-2007 campers will be taken beginning at 12 noon February 1st, 2008 on a first-come, first serve basis.
- Mail-ins, walk-ins and online registrations received on February 1st will be registered simultaneously if availability remains for a session. Mail-ins may not be postmarked before Wednesday, January 30, 2008.
- If preferred sessions are full on February 1st, open registration applicants will be notified in person (walk-ins), via telephone (mail-ins) or automatically (online) on Feb. 1st. Open registration applicants may put a second choice for a session to increase the chance of attending a preferred session. On open registration day, each adult walk-in may register his/her children and one additional child.

***Campers that are entered into the session of their choice will receive an email notification within 2 weeks. Any applications received by mail after the session is full will be notified via telephone. Thank you for your cooperation in the registration procedures. If you have any questions, call Chet Tucker at 803-329-9622, extension 230.**
